

Type 47 Self Closing Bib Tap Lever Action

Enware's self-closing drinking fountains and bubblers are constructed from dezincification resistant (DR) brass and are WaterMark Licensed to AS/NZS 3718.

The unique valve design provides an effective, low maintenance mechanism for a range of flow conditions. The tapware is serviceable with all wearing components replaceable, thus providing a longer life

KEY FEATURES

- Lever handle activation
- Spring loaded self-closing mechanism
- 6 L/min Anti-Vandal aerator
- Blue (Cold) indicator button
- Vandal resistant design
- Durable chrome plated finish
- DR Brass construction
