

Concealed Spindle Basin Set with SP001 Fixed Spout

Concealed spindle tapware series is robust and vandal resistant. The ergonomically designed handle features a dress skirt which conceals the anti-vandal handle fixing and spindle.

Ideal for commercial, institutional and public amenity applications.

CS306

FEATURES:

- High quality dezincification resistant (DR) brass construction
- Vandal-resistant internal locking ring secures the handle which requires special key to release (key supplied)
- Serviceable with all wearing components replaceable, thus providing an even longer life
- Supplied complete with handles, red and blue indicator buttons and spout
- Heavy duty bright chrome
- WELS 3 Star (8 lpm) water efficiency rating supplied as standard. Also available in 5 (6 lpm) Star rating.
