

Wall Mounted Hand Held Drench Hose - Dual Outlet

Wall mounted handheld drench hose has self-coiling hose for body rinsing, and provides supplementary support to primary emergency shower and eyewash. It also provides hands-free eye washing and features dual outlets for simultaneous eye rinsing. The stay open valve allows the user to have their hands free to hold their eyelids open for maximum flushing. Ideal for industrial, commercial and educational applications.

KEY FEATURES

- Chrome plated brass body
- Spray outlets with dust cap
- Dust cap flips open upon activation
- Stay-Open ball valve with push activation
- Supplied with wall bracket
- Supplied with 3.75m nylon self-coiling UV stabilised hose
