

# Bariatric WC Pan and Toilet Seat - White

A unique design of floor standing toilet pan, is dedicated to assist bariatric users (150kg + or Body Mass Index of 40+). Overall dimensions of the pan ensure a bariatric commode chair can be placed over it without obstruction.

Finished in a high gloss paint with dual access panels on both left & right sides. Supplied in P trap and an option for S trap conversion.

Designed for hospitals, specialist clinics and nursing homes.

## KEY FEATURES

- 304 Grade stainless steel construction
- Weight tested to 900kg
- 100mm P trap outlet suitable for a standard pan collar
- S trap conversion (set out 120-250mm from finished wall)
- Comfortable heavy duty toilet seat designed for bariatric users
- Substantial pan footprint ensures stability
- Mimics the design overlay of AS1428.1 for WC pans\*
- Works with a wide range of in-wall concealed flushing systems including Enware WC flush valves
- Pressalit Ergosit single flap toilet seat (no lid)
- \* WC pan is not suitable for AS1428.1 applications
