

# Food Service: Pot Filler and Pre-Rinse Assembly - Short

A heavy-duty pre-rinse spray assembly to meet most commercial and institutional kitchen requirements.

Ultra-Rinse pre-rinse trigger spray cleans more efficiently, requiring less water per minute.

## KEY FEATURES

- WELS 6 Star (4 lpm) water efficiency rating
- Dual check valves for backflow protection
- Shortened height where space restrictions may exist
- Spring return allows the spray and hose to be pulled into the spraying position and to retract back from the washing area when released
- Quarter-turn 80mm lever handle
- Jumper Valve
- Clear identification on lever handle with blue, yellow, red or grey coloured indicator collar
- Pot filler with 230mm spout
- Attractive, solid brass chrome body
- Robust construction for superior performance
- (Requires wall or hob mount base)

## PRODUCT CODE

FS065W

Food Service: Pot Filler and Pre-Rinse  
Assembly - Short

Products are to be installed in accordance with the Plumbing Code of Australia and AS/NZS3500.

Reference should also be made to the Australasian Health Facility Guidelines (AHFG), ABCB and Local Government regulations when considering the choice of, and the installation of these products.

Due to ongoing Research and Development, specifications may change without notice.

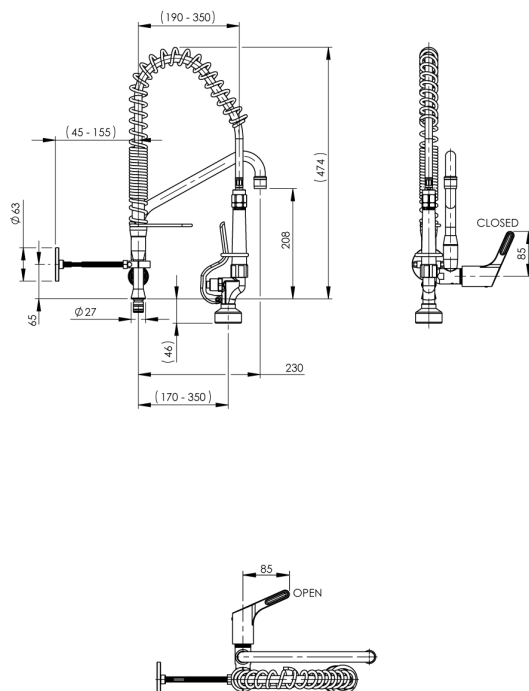

Component specifications may change on some export models.
