

Hob Mounted: Pre-Rinse Unit - Spring Return - Dual Mixer Assembly - Pot Filler

A heavy-duty bench mounted pre-rinse spray and riser assembly to meet most commercial and institutional kitchen requirements. Ultra-Rinse pre-rinse trigger spray cleans more efficiently, requiring less water per minute.

KEY FEATURES

- Separate hot and cold taps to provide either hot, cold water or mixed water
- Spring return removes the gun from the work area after use
- Pot filler to maximise efficiency and workspace
- 350mm flexible hose connection to inlet

PRODUCT CODE

FSB141

HOB ULTRA RINSE SPRAY WITH POT FILLER

Due to ongoing Research and Development, specifications may change without notice.
Component specifications may change on some export models.
