

Food Service: Pre-Rinse Wall Assembly with Concealed Mixer Assembly -Compact Version with Pot Filler

A heavy-duty wall mounted pre-rinse spray and riser assembly to meet most commercial and institutional kitchen requirements. Ultra-Rinse pre-rinse trigger spray cleans more efficiently, requiring less water per minute.

KEY FEATURES

- Dual check valves for backflow protection
- Mixing taps are supplied separately making this ideal for the conversion of an existing wall sink set to a pre-rinse outlet
- Spring return allows the spray and hose to be pulled into the spraying position and to retract back from the washing area when released
- Pot filler to maximise efficiency and workspace
- WELS 6 Star (4 lpm) water efficiency rating
- Quarter-turn, contra-rotating 80mm lever handles
- Jumper Valve
- Clear identification on all lever handles with blue, yellow or red coloured indicator collars
- Attractive, solid brass chrome body
- Robust construction for superior performance

PRODUCT CODE

FWS121W

Food Service: Pre-Rinse Wall Assembly with Concealed Mixer Assembly -Compact Version with Pot Filler

Due to ongoing Research and Development, specifications may change without notice.

Component specifications may change on some export models.
