

# Wellbeing Leva: Sequential In-Wall Shower Mixer- 80mm

The Leva range combines outstanding quality with functional, sleek design. For easy palm and wrist activated tapware, the LEVA 80 series delivers an extensive choice with greater control, particularly for arthritis sufferers.

The sequential lever turns progressively from "off" to "cold" to "mixed". This enhances safety, reduces hot water consumption and potentially reduces risk of Legionella.

## KEY FEATURES

- Sequential Ceramic Disc Mixing Cartridge ensures ultimate control with cold start up and stop
- "CLICK" at Off, Cold and Mixed positions
- Colour indicators for Hot/ Warm, Cold and Off
- Attractive, solid brass chrome body and 80mm Leva Handle ensures ease of use and cleaning
- Adjustable wall flange with O-ring seal

## PRODUCT CODE

LEV80308SQ

Wellbeing Leva: Sequential In-Wall Shower Mixer- 80mm

Due to ongoing Research and Development, specifications may change without notice.

Component specifications may change on some export models.
