

Tobin Transport Bottle And Stand

Tobin's Eyewash System has a soft flow design with 6 streams of saline solution providing an effective, sterile way to flush irritants from the eyes. Chemicals in the eye can cause serious damage within 1 – 5 seconds. The Tobin 500 eye wash bottle can be located within arms reach to reduce response time when an injury has occurred. Comes complete with bottle stand.

FEATURES

- Enables immediate flushing of eyes
- Can be located within arms reach for a quicker response time
- Soft flow with 6 streams of sterile saline solution
