

School Pattern Right Angle Cistern Tap M&F 15mm - Jumper Valve

VP303

Enware's vandal resistant School Pattern tapware is constructed from dezincification resistant (DR) brass with durable chrome plating and an easy to clean design. The handle features a vandal resistant internal locking ring securing it to the spindle and requires a special key to remove. For areas where there is a higher risk of vandalism choose the School Pattern non-removable handle (VPN), which utilises a handle permanently fixed to the spindle.

KEY FEATURES

- Jumper Valve
- Vandal resistant school pattern handle
- Blue (Cold) indicator button supplied standard. Red (Hot) or Yellow (Warm) available on request. Specify when ordering.
- Serviceable with all wearing components replaceable, thus providing an even longer life
- Constructed from dezincification resistant (DR) brass
- Durable bright chrome finish
