

Wellbeing Leva 150mm Basin Set with Fixed Spout

WLC150BASIN

The Leva range combines outstanding quality with functional, beautiful design. Ideal for Hospital and Aged Care applications, providing the benefits of easier reach, control, and enhanced hygiene with fewer gaps that can trap dirt and bacteria. The 150mm lever allows hands-free elbow operation suitable for clinical handwash and scrub sink environments where hygiene is critical.

KEY FEATURES

- Quarter-turn, contra-rotating 150mm lever handles
- Ceramic Disc
- WELS: 5 Star (5 L/min) laminar flow aerator supplied standard. 6 Star (4 L/min) laminar flow aerator available on request - specify when ordering
- Fixed basin spout (SPC001)
- Ergonomic sleek design 150mm lever handle ensures ease of use either by wrist or elbow
- Clear identification on all lever handles with blue, yellow or red coloured indicator collars
- Laminar flow aerator reducing the risk of airborne bacteria
- Robust construction for superior performance
- Australian designed and manufactured
